Susquehanna Polling and Research (SP&R) is a nationally recognized, survey research and polling firm headquartered in Pennsylvania, and specializes in a full range of research services for businesses and state agencies, national and state trade associations, hospitals and health systems, candidates for public office and media outlets. The firm conducts polling in more than thirty states. Founded in 2000, SP&R includes a team of research associates with more than 50 years of combined experience, including telephone agents, focus group recruiters and other consultants. Susquehanna Polling and Research acquired [The Bartlett Research Group](#) in 2016, a Harrisburg-area focus group company that has been conducting qualitative research and focus group services for a wide range of national and state clients since 1986.

SP&R's publicly released polling has been quoted in numerous national platforms including FOX News, MSNBC, CNN, the Rush Limbaugh radio program, the Wall Street Journal, the New York Times and USA Today. SP&R was profiled by CBS's Inside Edition on two separate episodes for its unmatched accuracy in the 2020 battleground polling, and the nationally acclaimed, polling aggregator [Real Clear Politics](#) rated SP&R the #1 most accurate polling firm in the nation for its accuracy in the 2020 presidential election in multiple states.

Jim earned a Bachelor of Arts degree from Lycoming College, and has 12 credits earned towards an M.P.A. program at Shippensburg University. Jim resides in Thompsettown, Juniata County, with his wife Dr. Megan Kurlychek, and has two daughters, Ava and Alexis.
