

TelPAC Breakfast Speaker
HONORABLE DOYLE HEFFLEY

Pennsylvania House of Representatives (R-122)

**July 12, 2022 – Starlight West
(8:00 a.m.)**

**Breakfast begins
at 7:15 a.m.**

Now in his sixth term as a state lawmaker, Doyle Heffley was again elected to serve the people of the 122nd Legislative District in Carbon County based on his priorities of creating a business-friendly environment, reducing taxes, achieving greater fiscal responsibility and government transparency and restoring government trust.

During the 2021-22 Legislative Session, Doyle is serving on the Appropriations, Human Services, Tourism and Recreational Development, and Transportation Committees. As a member of the Transportation Committee, Doyle prime-sponsored and advocated for House Bill 1658, PTA-supported legislation allowing telcos to partner with PaDOT in cost sharing when telecommunications infrastructure needs to be moved for road and bridge projects.

In addition to his committee work, Heffley looks to continue leading the way on efforts to curb Pennsylvania's opioid and heroin abuse crisis. Heffley is a member of several House caucuses, including the Property Tax Caucus, and will continue to fight to eliminate the burden of property taxes for all Pennsylvanians.

Doyle was also appointed to the Ben Franklin Technology Development Authority, which aims to provide funding for early-stage Pennsylvania technology companies. In addition, he has been named a "Guardian of Small Business" by the National Federation of Independent Business in multiple years.
